

Annual Report

The purpose of education is to replace an empty mind with an open mind. The whole object of education is to develop the mind of the child by instilling in him a curiosity to learn more and more.

Our aim is to provide opportunities and exposure to students to a wide variety of invaluable learning experiences. Our institution is a full fledged CBSE affiliated Senior Sec. School and we offer four streams namely Medical, Non- Medical, Commerce & Arts in the Sr. Sec. Section. Under the able guidance of our Chairman Sh. Kulwant Singh, Vice Chairman Mr. Kulbhushan Goyal and an able and progressive minded Managing committee and above all with the strong support of my dedicated staff, we are progressing well in all these fields.

Strenuous exercises and interest in games and other co-curricular activities are outlets for the vigor of the youth. Ample opportunities are being provided to our students to play and prove their mettle in various sports and games at School, Cluster, Regional and even national level competitions. Students have won many medals in Kabaddi, Volley Ball, Martial Arts, Athletics and many other events.

At school level, a plethora of activities are lined up as our zero period activities. Considering the excellent benefits students derive through extra- curricular activities, we have included: Classical Dance, Western dance, Martial Arts along with Aerobics, Music, Yoga, Robotics, Skating and Cricket coaching etc. For many of the above, we out source experts in each discipline.

Our school got 7th position in all over India in CBSE National game Athletics. School also received certificates of "FIT INDIA" and "Fit India Freedom Run 2.0" as part of 75th Azadi ka Amrit Mahotsav of organised by Government of India.

This year 112 students appeared for class X and 58 in class XII school scored 100% pass percentage in both the classes.

I feel happy to inform you about some of the special achievements of our students at various levels.

Inspire Award- Manak National Innovation Foundation- India (Department of Science and Technology)
